Mission and Passion	<p>Mission: To significantly strengthen the social-profit sector – one highly collaborative organization (or network) at a time</p> <p>Passion: Bringing simple, effective collaborative management methodologies to people working to change the world for the better. Helping individuals and organizations adopt simple means to <i>effectively</i> design, organize, and manage their organizations to make the greatest impact.</p>
Experience	Forty years managing, fundraising, and consulting in the social-profit sector; Twenty years specifically developing and consulting with break-through integrative organization development models and methodology.
SEE Objectives	To bring effective methodologies to leaders, organizations, and groups of people with SEE Objectives. My objective is to help <i>their</i> SEE objectives flourish and bear fruit for everyone involved – their leaders, partners, volunteers, and beneficiaries.
Commitment Description	To visit and spend enough time with Kim and the WET Africa Team to thoroughly understand their organizational aspirations, challenges, and concerns, and to assist them organize their collaborative efforts into a highly <i>effective</i> self-organizing platform.
Objectives in terms of the WET Jukskei 67 Proof-of-Concept Project	<ol style="list-style-type: none"> 1. A Shared Strategic Vision – To ensure leaders, partners, volunteers, and investors are ‘clearly on the same page’ regarding Jukskei 67’s Core Strategies 2. Aligned Operations – Structure, People, Roles, Programs, Fundraising <i>in alignment</i> w/ S.S.V. 3. Integrative Strategic Planning – A shared methodology to ensure all WET Jukskei partners can share, update, and integrate their Intentions, Plans, and Results
Anticipated Measurable SEE outcomes for above	<ol style="list-style-type: none"> 1. Happy, effective Leaders 2. Happy, effective Partners 3. Happy, effective Donors
