Mission and Passion	Initially, to implement the WET-Africa Program, in collaboration with our partner network, along 13 Kms of the Jukskei river as a PROOF OF CONCEPT. Thereafter, to utilize this proven methodology to implement the program nationally and globally for the ultimate restoration of our waterways in South Africa, Africa and the world with the goal of preserving this natural resource for future generations. To establish the Jukskei Restoration District Chamber (JRD) and similar future chambers to ensure the sustainability of the WET-Africa program. To be instrumental in fulfilling the basic human right to have access to clean water.
Experience	25 years experience in administration, financial and operations management, 7 years experience with The SOUL Foundation. Instrumental in the development of the cost analyses and budgets, financial and operations management, consolidating and reporting output for SOUL and WET-Africa.
SEE Objectives	Project Cost Analyses & Project Budgets; Disbursement of Funds Manual; Consolidated financial reports; Consolidated project reports; Human resource policy & procurement manual; Operations flow charts; Training manuals; Project office policies (incl Buy-back centres); Site to Office communications protocol. Operations flow templates.
Commitment Description	To utilize my skills and experience to ensure the transparent use of investor funding for the success of the WET-Africa model and to instill stakeholder & JRD Member confidence. To be instrumental in developing sustainable green enterprise & entrepreneurs by creating sound financial & administrative templates for replication.
Objectives in terms of the WET Jukskei 67 Proof-of-Concept Project	Transparent financial management & reporting to stakeholders & partners. Transparent and comprehensive Procurement and Disbursement Manuals. Effective cost analysis and budget planning. Efficient project coordination. Economical use of resources. Proficient site to office liaison & accumulation of data for consolidated reports to stakeholders, investors & members. Efficient administrative procedures and protocol.
Anticipated Measurable SEE outcomes for above	Project expenditure aligned to budgets; Comprehensive & extensive financial reports; clear cost analyses; Disbursement manual; Procurement policies; Consolidated Project reports.
